Worked with Sandy at Dana. So sorry to hear of her passing. She was ALWAYS smiling and happy. She loved sharing stories of her huskies :) Prayers, Helen Luyckx Darling

Sandy was a great person to work with. She was so up-beat and positive. Her love of animals was second to none. I will surely miss her and her antics! May she rest in peace!

Sandy had a heart of gold, it was always uplifting to be around her. Worked with her for years at Dana and ran into her at fifth third bank. She loved her husband, family, friends and her beloved pets. She left us way too soon. My thoughts and prayers go out to her family and pets. Rest in peace Sandy.

My Aunt Sandy was always having fun when we were all together spending our holidays and birthdays together. She was always laughing and having fun and keeping the mood light for all of us. Everytime she sang me happy birthday she sang really loud and it always made me smile and laugh.

Sandy was the most kind hearted person i have ever had the pleasure of meeting in my intire life. One of Gods true angels that have ever walked this earth. Always spreading love and joy to every person she met. Always giving. Always providing a listening ear and a sholder to cry on. No matter what she herself was going through, While I was going through hard times, she listened to me and gave me reassurance that life will always get better. I always looked forward to working with her. my condulences go out to her family and close friends. She is truely an amazing woman. She will be missed my me and my daughter darely.
