“ To the family of Betty Dunnigan: Please accept my sincere sympathy for the loss of your loved one. While we don't know one another, experiencing the devastation of losing a loved one is something we all face in our lives. The Bible promises a time when "death will be no more" (Rev 21:3.4) and assures us that God hears our prayers (Ps 55:22). I hope this brings you some peace during this difficult time.

“ Grandma,

I cannot put into words how much you mean to me or how much I am going to miss you. Kyle and I have been so very blessed to have had you as a second mom. You are so special to us, and we cannot believe that it is now your time.

The past few days every memory of you and I has run through my mind and I know that that is you telling me that you are now at peace. We are all so blessed to have you as our Angel, looking down on us with those beautiful blue eyes.

I love you so much Grandma, and I look forward to the day that we meet again.

"Goodbyes are not Forever
Goodbyes are not the End
They simply mean ill miss you,
Until we meet again"

Give Nana and Dziadek a kiss from me.

I love you Grandma!

“ In memory of a dear grandma and great-grandma:
It's always sad but comforting to recall
Your smile and sweet familiar face
So loved by one and all
For the world may keep evolving
And change from day to day
But precious memories of you
Will never fade away
Here's hoping that this message
Which carries so much love
Will somehow finds its way to you
In heaven up above
It's to let you know, sweet grandma
That although you are at rest
You'll live forever In the hearts of
Those who loved you best.
Love you always and forever,
Erika, Henry, Alexa, and Alana

“ It was so devastating to hear the news of Aunt Betty's passing.

All the great memories I have of picnics and parties and visits we have from our childhood when the families would all get together like I still wish it could be today. I will always remember you Aunt Betty as my favorite aunt that always saw the funny side of things with your amazing witty way! My mom loved you so much and I feel blessed that you both still kept in touch and enjoyed your infrequent visits like you still lived close to each other. Good friends can always pick up right where they left off, and those are the best friends anyone can ask for. Same goes for great Aunts! :)

I find comfort in knowing you are once again together with your beloved Glade. What a gem he was too!

Much love and hugs to all of you thru this difficult time, and the days and months ahead when your mom's absence will be felt. I still long after over seven years to pick up the phone and talk with my Dad, as well as my beautiful sister Heide and my youngest son Colin. The love you feel for all the special people in your life never ever leaves, just changes the way you are able to continue that love. I will forever love you from afar Aunt Betty. Knowing you are in the loving arms of our Lord ready for your everlasting life gives me comfort.

“ Message to my "LOVING" Mother: You'll be sadly missed along life's way, quietly remembered every day. No longer in my life to share, but in my heart you will always be there. I LOVE YOU MOM, Debbie

“ Those were happy days with dear cousins back in the 50's, and 60's . I wonder how many you guys remember. Sunday afternoon get-to-gethers, picnics, trips to the zoo, especially our trip to Greenfield Village!
I remember coming to your house to see all the beautiful custom furniture that had just arrived...as I remember, pale blue and light gold! Your mom was so thrilled, and I had never seen anything like that! It was gorgeous!
Aunt Betty was a great cook... I can still see that oven door open and her pull out a tray of southern fried chicken!
One day I remember, I think it was Glade's communion, I was eleven.... I left the basement where all the cousin were playing, and walked into your living room where all the grownups were, and they congratulated me on "becoming a woman", huh, what, oh geez.....back down stairs I ran!!
The coolest was the unveiling of Glade's own bedroom that your parents had made for him in the basement!! We all went home and wanted our bedroom in the basement! Of course as the years went on, I became the sitter.. And the pied piper....a fun job with all of you.
One memory from those days was the empty shelf your mom made in the linen closet... She didn't fold each wash of diapers, just pushed each unfolded batch on to the open shelf. How smart was that? Something I copied and related to her years later when I became a mom and we were on the same bowling team...and that's a whole nother story!! Those were great happy days!

I pray that you have found peace and I ask you to please watch over me until we see each other again.
