“ Joan:

I am really going to miss you with all my heart. I know I should have seen you a little bit more and I really do regret. I remember all the good times we had together and I will never forget them. You are and will always be remembered by me.

Love you very much and now you are in no pain.

“ Another death put upon me.

I know it's the Lord's way.

I don't like seeing people suffer, as much as it hurts; sometimes it's best for an end result. Lord, my God open your arms cause one of your children has come home. I will not fall any deeper in the morning of a loved one. I will rise in the spirit of Jesus, my Lord, as Joan, you will be missed. Let us not be so sad in her passing, but rejoice in her new embarkment of life with the Lord.
