“ Not sure how to move on without you. Not sure if I want to either. All I know is i Love You. I will spend the rest of my life missing you and wanting you here with me. I keep finding your notes around the house. Makes me happy and sad at the same time. I Love You.

“ We didn't always agree on things and we weren't the best of friends. Marcia there's two things that comes to mine when I think of you. The first is when I needed a place to stay no matter how you felt about me you opened your home up to me and for that I am very grateful for you. And the second thing is you were always good to the girls I couldn't have asked for a better step mom for them and if I had to choose a stepmom for them it would be you again you treated the girls very well and like they were your own kids thank you so much for that Marcia. I wish things were different between us but they weren't. You will truly be missed and I will never let our girls forget about you and I'll keep you in their memories. Rest in peace you are very well missed

“ There's so many memories shared with Marcia, Tahrir Kalasho, and I. I wouldn't even know where to begin. The whole situation is surreal. Never would I have thought such a loving soul would pass away in such an instance. Despite the age difference we'd gossip like teenagers. We will all be missing momma bear dearly. RIP beautiful angel.

“ What a beautiful life taken way to soon, Marcia, we may not have always seen eye to eye.
But ... we have always been family and that is what truly matters. Your involvement in my brother's life has made him a better individual and I appreciate your hard work, he is a challenging soul. You will be loved, cherished and missed, Until we meet again.

“ You left us way to soon Marcia...I am so fortunate to have had you in our home every day for these last 2 years. I got to know your heart in a different, more personal light, and will miss you so much. The decorations on greeting card envelopes were so inviting and loving and will be so missed as you will be missed. I am proud to say you have been my daughter-in-law and my sons wife. You had such a loving nature to your children and grand-children as well and we wont let them forget you.
