

Mildred Posavetz

January 9, 2021

91 years old. Millie passed away peacefully on January 9, 2021 and will remain in our hearts forever. Beloved wife of George Posavetz. Loving mother of Duane (Linda), Doug, Jeffrey (deceased), Diane (Val), and Kevin (Janette). Proud grandmother of Jason, Kelley, Andrew, Christina, Michael and Allison. Amazing great grandmother of Kailey, Charlotte and Tessa Bourque (Jaon's girls), Jake and Kase (Andrew's sons), and David, Ben, Abigail, Caleb and Hannah (Christina's crew). Also loved and deeply revered by many wonderful nieces and nephews.

Mildred passed away peacefully on Friday, January 9, 2021 in Warren, Michigan at the age of 91. She fell victim to Dementia that robbed her of a glorious, graceful and divine spirit. Mom wore many hats: she was referred to as Mildred, Millie, mom, baba, grandma, great-grandmother and true friend. She was a chameleon in a sense due to the fact that she could change topics of discussion that she could blend into any topic of discussion that she could blend into any topic of discussion. She would share her opinion when warranted but was referred to as 'The Great Listener'. Mom lived a simple but full life. She taught us to not complicate things and use our imagination.

“ I met Mrs. Posavetz when I was a student in her catechism class. We instantly had a connection and she was always looking out for me and just so nice. I will miss her greatly. My thoughts and prayers are with Deacon George, her children get and children and the rest of her family and friends. Thank you for being such a wonderful part of my life and of our church family at St. Mark. I am sure Jesus welcomed you with open arms and a smile.
