“ Dear Curtis and Carrie and family;  
I just learned this morning of the death of your Mom. On the road of life you and your Mom were the best people I have had the pleasure of knowing and working with at Bi-County Community Hospital.

Bob and I will remember you and yours in our prayers.

God Bless You,  
Bob and Camille Jankowski

“ Dearest Keith, Curtis, Carrie and the entire Borle family, Mr & Mrs Rolando, Sue, Katie and Lisa. Words cannot express my shock,sadness and complete dismay at the sudden loss of your beloved Nancy and my friend. Keith you have been my pal forever, since grade school. As teens, we hung out with those girls from Mott we met at the St. Cletus Teen Club. You married one of them. I recall my last conversation with Nancy. It was the call you made to me last August. I was in a hotel room at Metro having flown in for my daughter Jennifer's wedding. You said for me to say "Hi" to someone..it was Nancy, what a nice surprise and pleasant chat I had with her. I crammed as much life update as I could in that brief conversation. Keith thank you for that opportunity. Mr & Mrs Rolando, You always welcomed us boys into your home. Your warmth and kindness did not go unnoticed. You got a couple of grandchildren out of deal, not bad..I have asked my brother Chris to represent me and express my condolences to all. My thoughts and prayers are with you all and may God give us all strength to carry on and those memories we have, will always bring a smile to our faces until we meet again someday beyond the starry, starry sky..

“ God listens to all our paryers and gives us the strength we need. For me I believe that everything in live that happens is for some reason, that we might not understand. As it saddens us to lose someone we love. I can't help but think of how lucky they are to be with our Lord above. That makes me feel better knowing they are with our Father. As family and friends will miss her so, please know that my heart goes out to each of you during this time and the years to follow.

“ I will miss my dearest Nancy. You were such a special person that could make anyone laugh. You always knew just what to say to me when I was down you could always tell. Olivia will miss you feeding her turkey. :)We all will miss you and your humor. It won't ever be the same but you will always be the same in my thoughts and in my heart. God bless your family and I just hope god takes good care of you in heaven. Rest in peace my dear sweet Nancy. I love you.

“ I was one of many who had the pleasure of knowing Nancy, and with that I can say I was very fortunate. When-ever I would call her work office I always had to mess with her on the phone, and of course she played right along. Nancy was one of those people that you could talk to and feel comfortable. I know that the people she worked with are at a great loss, along with her many friends and family. In this time of sorrow I can only think back to that wonderful person that I had the pleasure of knowing and Thank-you Nancy you will truly be missed.
