“ My Mom.... the mother of 7 amazing children all different and special in their own unique way. The class mom who volunteered at football games and assisted with school functions. Married 48 years to a Great Man who loved her deeply. Mom to 'Twinkie, ' her little fur baby, who doesn't understand what's going on and looks for her still. She is our Mom. The night I saw you last, that twinkle in your eye told me it was going to be OK. You can rest now, don't worry about us, we'll be alright. Until we see each other again, in that city upon the hill, we'll send you a kiss and an I love you, through it all. Dawn
