“ Such a huge loss. Shawn, I remember when we first met, kodie was 4 and Courtney was 5, they both went to Hop Lutheran Daycare in Dewitt. The girls played together all the time and went to Easter egg hunts. Then when I heard you named Charlie after me, I was so honored. Shawn you were always full of smiles and will be greatly missed. Love you always. The Hanneman's

“ So many memories hard to pick just one. Funny that I don't even remember how why it when we became friends. But man we spent a lot of time together. We had trips to cedar point, michigan adventure, MIS, water parks. We had work holiday parties. I have seen you through some of your greatest times and some of your darkest. You were a string independent women who loved with a big heart. I miss you more then you will ever know. I have been thinking of all our time together and it makes me happy to know that we had so many memories for me to hold. You were like my sister my best friend. Hugs to your girls.

“ Shawn, i cant believe that your gone. You have been through so much and will be missed. You always knew how to have fun and was so creative. I have so many memories of fun times with you but one I really love is when you got us tickets to watch the Spartans play in the Final Four when it was in Detroit. We had so much fun that night and got to see the Spartans teach UCONN a lesson. It’s something I wouldn’t have ever done myself but you got me out to do it. That was awesome. Im sorry you had to go so early
