“ Dear Family, I was saddened to read of your loss and I'd like to extend my deepest sympathy for your dearly loved Sophia. I can only imagine the pain you must feel. I pray that you can find hope in the Bible. Jesus Christ, thru God's Kingdom, His Word, the Bible, gives us a hope that includes seeing the resurrection of our dead loved ones healthy and happy and ridding the earth of death forever. (Luke 23:43; John 5:28, 29, Revelation 21:3-4) ~ Hope this comforts you like it has my family during loss.

“ Our deepest sympathy to Grace and Marcia and your entire family. We just learned of the loss of your mom at St Thomas Moore today, and are sorry we were not able to stop in to express our sympathy in person. Our prayers are with all of you, and our hope is that you will feel comfort in knowing that she is enjoying the rewards of heaven, while still always being a part of you. She will be your forever angel...

“ Deepest sympathy to the entire family
I will miss the way Sophia had treated everyone around her, mainly the attention she would always give the kids - "her world scholar" in Jacob always brought a smile to Jacobs face, and mine; also in Sydneys deep respect that turned into shyness...

God Has brought up another angle....

Thoughts and prayers to the entire family...

“ Today we say our final good byes to a very special Aunt and Mother. I rejoice in the celebration of such a special life, a precious gift to us has been given up to God, as he willed it... We accept that and feel His presence as we remember her life with fondness and appreciation of the years she spend with us. I know she also missed my mother(Aunt Lee), but feel comforted knowing they are together among so many others we have lost in a year's time. It's time to go on with life and remember them for all they meant to us... and it's time to thank the Lord for how wonderful it was to be in their lives, and today, in particular... for Aunt Sophie, we celebrate her life as a special gift from God that we will always cherish... So long Auntie!

“ Every year on Fat Tuesday, I bring paczki's to St. Rene for the morning Mass crowd to share in the kitchen. I knew that Sophie liked prune paczki's, and after Stanley died, would always bring her two. One for each of them. Last year, I took them to her house so she wouldn't miss out. Sophie was a wonderful friend, and I will miss her dearly. My thoughts and prayers are with her family.

“ Farewell Dear Aunt Sophie.... I want to thank you for being the Loving Aunt you always were for all of us cousins. You always provided fine examples of the highest standards in pose, family, love of God, and respect for our fellow beings, community service, our heritage, and pride in belonging to the Trombka Family. There was nothing artificial about you.. it was always your friendliness, your sincere concerns for others, and the passion for looking for the best in everyone that inspired us all to look up to you as our mentor, and our loving aunt who took us on her wing as if we were one of her own children. We surely will miss your smiles, and conversations be it over the phone or in person. Yet we will continue to remember your advice in living, and your true beliefs in the faith of the Lord as a guiding light that has now blossomed into your homecoming and reunion with your lifelong love, Uncle Stanley. It's a blessing that you no longer need to be concerned about health issues, for God knows you have endeared enough and now have come into the peace and love you surely deserve. Thank you again, Auntie for being that special person you were to all of us... We will love and miss you forever... till we meet again... With Love, Your Nephew, Chuck Henry

“ My memories of Mrs. "T." are too many to count. I remember every Haloween getting our special goodie bag. I remember being sick at school and she came to get me - I laid on her couch drinking ginger ale and watched PBS. More recently, I remember dropping by her house last year with my 2 kids in tow to drop off some homemade soup - it just happened to be her birthday! She kept smiling at me and saying, "My little Jilly has two babies of her own!" I'm just so sorry we weren't able to make it down over Christmas break so she could see the kids and I could let her know we have one more on the way - I know she would have been thrilled! My deepest sympathies to all of you. Mrs. "T." was a very special lady and though it's been nearly 20 years since I lived next door to her, she will be missed dearly. (((hugs))) to all!

“ Deepest sympathy to the family.
I will miss her greatly. I enjoyed talking with her every 2 weeks when I delivered her lunch. She always made me feel special and loved. Always greeted me with "there is my Debbie". I felt we became friends in a very short time. Sophia you will be missed. Love you!

“ Dearest Trombka Family...I will truly miss seeing your Mother's smiling face when I visit Michigan. Sophie was one of the sweetest ladies that I have ever met. She was a dear friend to my mother and my mom will miss Sophie's phone calls to discuss their Meals on Wheels. Attending Mass without Sophie will not be the same anymore...but I know she will be there in Spirit.

“ My very deepest sympathy to the friends and family. We have lost one of our dearest family members-

Auntie Sophie was always so very positive in everything she said and did. She kept me in her thoughts and prayers many times through the years-she always had a candle lit for me with a kind word to keep my spirits up. Now it will be my turn for her-although I am sure she will continue somehow to help from above. She will remain close in my heart.

“ There are no words that can express the feeling that you have when you lose someone you love.

There is a big hole in your heart and it is so final. You won't get to see the one you love again but they will tenderly watch over you from heaven. I will miss Aunt Sophia very much. She was a big help to me when Stanley got sick. She was always there praying for us and I can never thank her enough. When Stanley passed away she was there again praying and calling me all the time. I will miss her so much, but I am happy for her now she can be with Uncle Stanley again in heaven. I know she will continue to pray for me.

“ My deepest sympathy to the family. Sophia was a very special sister-in-law. She was more like a special friend to me. She was a big help to me when I lost my husband, Tony. She would call me up and support me with her kind words and prayers. I am going to miss her encouraging words of support. I am happy for her because now she is with her beloved Stanley.
