“ Sending love and prayers to the family. My memories are as an 8th grader at Transfiguration. I was great friends to sister Robbie. We spent so much time at each other’s house and Aileen was the ‘cool ‘ older sister. Was able to see Aileen at my Moms memorial in May of 2015 when she brought Robbie. Our condolences. Thinking about all of you at this difficult time. You were the heart of your family. Although there are no words to ease your grief at this time just know that you are loved and you are not alone.
