“ David and Gary, I'm so sorry for your loss. Your father was a kind and gentle man and will be missed by many. Albie trained me many years ago at Proto Plastics and was a mentor and friend for the next 35 years. May God bless you and your families and may Albie rest in peace.

“ David & Gary,
Albie was a great friend to me and Matt for many many years, and I will miss him a lot. He was a great guy to be around, and both Matt and myself truly enjoyed his company. We will donate to the Salvation Army on his behalf. I will not be at the funeral since I just had bilateral knee replacement, and Matt is in Atlanta on business. RIP our good friend
