“ *Nona was always very nice to me, she made lunch for me several times on Sunday afternoons. She always wanted to make sure I was full. I knew that she a caring and hard working woman from the first time I met her, I hope my daughters inherit those qualities from her. I appreciated those meals, I still remember, thank you and God bless you.*

“ *So many great memories back in the day when my dad would take us to Detroit to visit all of his family. I will never forget this when Grandma DiMambro would make the homemade bread and great pasta. We would all be together, aunts, uncles and cousins. Rest In Peace Aunt Alessandro you are now with your mom, dad and brothers and sisters. 🙏*
