“ *Aunt Charlotte -  
I just heard that Uncle Jack passed away. My prayers are with you as well as the rest of the family. I too, remember him talking about feeding the birds and watching the squirrels the last time that I visited there. Y'all always brought to mind the saying, "two peas in a pod". I liker his laugh.  
He was such a good man and he will be missed by many. I love you and will call later.*

“ dear charlotte & family, I am so very sorry about Jack. He was such a fine and sweet person. He was loved by so many. I know your sorrow and be assured that God does too. God's son Jesus promises in the Bible book of Luke 23:verse 43 that he will be with us in Paradise. Also in Acts 24:15 talks of the resurrection. The Bible gives us the assured hope of these promises and much more. Please know you are in my prayers love, Dorothy

“ We are saddened by Jack's passing. When Kathleen and I were walking a while back, she used to talk a lot about both her parents and it was evident to me how much she loved and respected them. I remember her telling me stories about how much her dad loved feeding the birds every day and how much he loved cutting his grass. Wishing you peace at this sad time.
