“ *Dear Steve and family, I am so sorry for your loss. Alice was a very down to earth, caring lady. My memory of Alice, that will always bring a smile to my face, is when she came to my mom's house and had a piece of chocolate cake and then put saccharin in her coffee. She would look at us, laugh and say, I have to cut calories somewhere. She loved you all very much. Treasure your memories. Rest in peace, Alice.*

“ *The Suttles family would like to give sincere sympathies to Steven and his family during this trying time. Alice was a wonderful lady who really suffered the last two years of her life. Heres hoping she is in heaven now with Uncle George, her mom Stella and Auntie and her daughter Laurie. She made loto of friends at Green Acres Bingo Hall in Warren where she loved to play bingo and going to the casinos. I hope you are up there where they can deal you the winning cards. You will forever be in our hearts and thoughts.*

“ *Steve,*

You and your family are in my thoughts! One of the best memories of your Mom is when your Mom and Dad used to come visit my Grandma and Grandpa at their house. They used to spend hours talking at the kitchen table! My Grandma always had some kind of dessert to put out for them. I would like to think they are all up in there in heaven sitting at a big kitchen table talking about things, drinking coffee, and watching over us. God Bless!
