“ Amy was the first impression we got of Bishop Foley in February 2013 when we were looking at private high schools for my son. Foley was the first school we had an appointment with, and after about 10 minutes with Amy - we knew it would be the last school we visited. Ryan transferred to Foley within a week of our visit, and it very literally changed our lives. Thank you to a loving God that sent us to Foley and sent Amy to us that day.

Amy was so vibrant and generous and fun and kind... and taken way too soon. As much as I would never want to deny her Paradise - the loss of this beautiful soul on Earth is so painful, it is beyond comprehension. The Bible tells us someday we will understand, but there are some things I just cannot wrap my head around. <3

“ Amy was the teacher that changed my sons outlook on school. She was his 3rd grade teacher at Wattles many years ago. She was loving, fun and understanding. We have never forgotten about that year so long ago. Amy you left an impression in the hearts of many. RIP. 🙏

“ Dear Uebbing Family,

Please accept my sincerest condolences for your loss. I served with Amy on the Bishop Foley School Board for many years and was blessed that I got to know her. She had a marvelous sense of humor and no matter how I may have been feeling, she always always made me laugh. Her heart was bigger than Mount Rushmore and her positive outlook on life was infectious. I am certain that St. Peter is escorting Amy to VIP section.

She will be sorely missed

My warmest regards
