“ *Thank you Ana for all the memories you gave Amber And Ashley the past 26 years, as their Step Mom, you were a big part of their lives growing up, and treated them as if they were your own, you will be missed by many, especially your beautiful children. You are now their Angel watching over them as they all make you the proud Mom you raised them to be. This is so heartbreaking. Just know they have many loving family and friends in their lives to help them thru. God Bless April*

“ *Wow, where do you begin to say or convey the deep sadness we feel for the family of Ana. How can you fill the void her absence will bring to her young children and the friendship and love she showed to all the family and her friends. Let the roses of love and the sweetness of her memories cloak the family bringing them comfort...Until they meet again.*
