“ *To the family of Andrea Haliw,*

I just found out about this today so apologize for the delay in sending my condolences. Andrea was one of my best friends from high school. She had a unique and good spirit. She instantly made me feel welcome when I transferred my sophomore year. We spent many days after school having fun at the mall and going out to eat. I still from time to time reflect on some of our many days shopping after school and good times shared. I am so sad to hear this news as is my family. I will pray for her spirit and healing for all of her surviving loved ones. I am glad to have had the chance to have met her during her lifetime and praying for her.
