“ *I'v always had fond memories of Mr Paluda as a neighbor and family man.I remember Mr Paluda bringing me along with Andy and Billy to a Tigers Basball game at the the old Tiger Staduim and him paying someone to watch his car as we parked on the street. He also took us to the UAW summer picnic at the old Edgewater park. He came to a lot of our Little League games as well.He was always upbeat and cheerful and all around great man!*

“ The two things I will remember most about my Uncle are his perpetual smile and easy going spirit. In the numerous hours I spent with him as a child I cannot recall a harsh word or a condescending tone. I was always treated with respect and kindness. I know he cared deeply for his family and those around him. He will be missed. Although we cannot be there in person our hearts, thoughts and prayers are with our family and all of those that were touched by Uncle Andy's life.
