*Dearest Dad,*

*Thank you so much for everything. I did not even know you were gone till today 9/21. I cant believe you have been gone almost 3 weeks and I did not know. I can't believe I could not send you flowers. When we spoke last, you had finished the house and the basement... I guess you finally finished building. Thank you for taking care of everything, and teaching me to be mechanical. Thank you for teaching me to box and stand up for myself. Thank you for loving my mother with all your heart, and you never quit loving her and caring for her. Thank you for thinking of me. I know you are reunited with Mom now and are happy and I am so happy for you. I will never forget you and I can't imagine not hearing your voice again till I see you on the other side. I Love You and will miss you till I see you again.*

*God Bless and Keep you till we meet again,  
Cheryl*
