“ *Nothing can take away the pain of losing a loved one. The only real comfort any one can offer is a hope from the bible. God made hope for the dead possible by sending his son to die for us. Romans 6:23 tells us the gift God gives is everlasting life by Christ Jesus our lord.*

“ *Carol and Gary: It was with great sadness that we learned of your mother's passing. Auntie Anna was a very special, loving and giving lady. We treasured the times we were able to spend with her during the years. We will always remember her making the trip for David's 60th birthday in May 2010 with Carol and Al. No one at the party could believe that the lady dancing was 90 years old! Please know during your time of grief that the angels have welcomed her home and that they will also wrap their comforting arms around all those who loved her.*

“ Gary, your mom, always so nice to me, just a young shy girl I was at the time. She sure loved her kids. Condolences to you and your family, and God bless your sister Carol and her family as well. Carol was always so sweet. Your mom's passing makes me think of my mom, who passed the day before Christmas Eve eight years ago. I wish I lived near my old home at times like this. What a beautiful picture of her!
