“ *I'm sorry hear of your loss. I remember Ann as a wonderful lady, who loved working outdoors much like my father. Both my mom and dad enjoyed her company very much at family gatherings. I loved to listen to her tell of her childhood days in Europe. In my mind, Ann was an accomplished woman, and always stood tall and proud. She had more common sense than most and a good sense of humor to boot. I admired her for her spirit and independence. I wish to express my condolences to Diane, Joann, Joe, Aunt Helen and Meredith. Family gatherings won't be the same without those who we loved so dearly, but know that we have been blessed to have been part of their life.*
