“ *My mother and rs. Iwaschina met a few years ago and realized that after the War, we're living I. The same war refugee camp in Germany. Talk about a small world. These were two remarkable women. They lived through such a horrible time in history; came to the United States, raised families - TRUE WARRIORS. They are both gone now but their stories live on. Rest In Peace Mrs. Iwaschina and bless you on your next journey.*
