“ Over the years she really became my Mom and best friend. She taught me by her example. I will cherish and remember her gentle hugs, kisses and Emeraude till the end of time. She was simply the best!

“ Dear Uncle Chet and family,
I was saddened to learn of your great loss, and wish to express my heartfelt sympathy to you and your family. As I grieve, I can't help but see Auntie Ann smiling. I still feel her enveloping me in the warmest, biggest hug; I felt so secure there! And then she would plant kisses on my face, all the while expressing her happiness to see me. She made me feel loved and special each and everytime we met. My prayers are with all of you.

“ It's hard to understand why people are taken from us, but I hope you find comfort in knowing you were all a special part of a well-lived life. Hold on to your memories and let them guide you during this time of sadness.

Chet, Anne Marie -- the entire Rudzewicz family -- please know how very sorry I am for your loss.

“ Dear Rudzewicz Family:

I worked with Anna at Udylite back in the 70's and 80's. Although I haven't seen her in years, I will always remember her as a kind, always-smiling lady who was a pleasure to work with and talk to. She made me a beautiful afghan for my first baby's shower in 1981. I used it for all three of my daughters and I'm now using it for my grandson.

My deepest sympathy for your loss. In time, I know that the Lord will fill your broken hearts with all the love and memories that you have shared over the years. Anna will be greatly missed.

*Prayers,
