“ *My great aunt Anna,
My aunt was the kindest, most caring person I've ever met. She was
always there when you needed her.
I have so many memories with her. Going to the movies, spending
time at her home playing on the piano and doing crafts at her
kitchen table. She knew how much I liked to take things apart as a
child and rebuild my own art with the pieces so she would bring me
old alarm clocks to work with.
My aunt anna was just perfect, like an angel sent to watch over our
family. I'll miss you so much but will never forget you... i love you.*
