“ *I am so sorry for your loss. Losing a loved one in death is never easy. One thing that I've found to help is the hope found at John 5:28, 29. It says: "All those in the memorial tombs will hear his voice and come out, those who practiced good things to a resurrection of life..." Our creator promises to resurrect those who are sleeping in death. You may wonder, when and how? Visit www.jw.org and download the free book, *What Does the Bible Really Teach*, for the answer. I am sure that you will be comforted as I have been.*

“ A beautiful person with a very giving heart. I truly will miss my second "mom" for all these years. She loved to go to the casino and lottery scratch off tickets. I can still hear her call Phil a shit pot because he would buy her scratch off tickets and she would not have a winner, but he would! At the casino we would laugh because even though her sight was poor she could still see when 777 was on the slot machine. There will always be a special place in my heart for her.
