“ Unfortunately, I never had the honor of meeting Mrs. Gintner but I have heard many nice stories about her from her granddaughter. She seemed like a wonderful woman who loved her family very much, and I am sure she will be missed dearly. I offer my deepest sympathy to her family and friends during this difficult time. May they all find some level of peace as they reflect on the special memories of her and celebrate her life.

“ Your mother was a wonderful person Fran. She will be sadly missed by all of us. Although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow. We will always remember the many good times we spent together. Our deepest sympathies go out to you and your family.
