“ *So very sorry to hear of Tony's passing. My sincere condolences to Tony's family. Tony was a friend to many. Tony was there for me a few years ago when I was going through a rough period. I am forever grateful to him for his being a concerned friend. With Tony's genuine sense of humor we shared some good laughs. A good guy who will be missed. RIP My friend.*

“ Tony was a very special friend to the entire Voutsaras family. My dad Nick and Tony worked together and became best friends, the two of them were like brothers. Throughout the years they looked forward to deer hunting together. Tony loved sharing deer hunting stories with all of us. My memories of time spent with Tony will forever be in my heart.

*With love, Elise Voutsaras*
