Tony touched the hearts of so many people, some he saw on a regular basis and others may have only met him once. The light of God shone through his smiling face, always happy and willing to talk. He will be greatly missed in home group, his knowledge of God was enlightening to me. He definitely was a spiritual father. I'm sure Jesus and Tony are enjoying their time together. One day we will all meet again.... Love you Tony. God blessed you with a loving wife and a great family.
