“ *Tony and Janey were always two of my favorite people growing up, and it somehow felt perfectly natural that we, the neighbor kids of his nieces and nephews, called him 'Uncle Tony' too. Grieving with the whole family on the loss of a truly kind and gentle man.*

“ Tony and I go back to 4th grade at St Lawrence and through Bishop Foley. I remember Tony' s Dad, Mr. Malinowski being virtually at all events. Volunteering at St. Lawrence and at Bishop Foley. Being at all the football and basketball games. Always being there for his kids and his family. He was a good example of what a family man should be. Mr. Malinowski was always positive and upbeat. He loved his wife , and family, and you could sense that at the home or at events. Mr. Malinowski served his country in the Vietnam War. I learned this in an unusual way. We were in high school and doing what teenagers do when you have a car, and found ourselves at the Telway burger joint one late weekend night. An older Vietnam Veteran approached us in an aggressive way, and said something like 'who is the biggest one of you all'? We kind of stepped back and all looked at Tony. The Veteran approached Tony, and handed him a flag. Tony handed the Veteran money, and said God bless you and thank you for your service. Later Tony told me, his Dad was in Vietnam and we need to take care of the veterans because it was tough over there. Tony is the compassionate and caring man he is today because of a solid Father as a good role model and example.

I saw Mr. Malinowski at St. Lawrence volunteering as an usher about a year ago. We talked and had a good conversation about his grand kids, who he loved. I will truly miss seeing Mr. Malinowski, and I pray for him, and his family. Somehow I know he is at peace at the great gathering place in heaven, having his favorite beverage, and watching with pride over his family. God bless and with Love,
Bill Boulus.
