“ *Back in 6th grade I started as a new student at Oakbrook. Anthony was one of the few people that opened up and befriended me. Through the years of school I didn't keep in touch with him, but I still remember him as one of first friends I made at UCS. My heart goes out to all his family and friends dealing with the pain of losing him.*

There are no words to describe how you and your husband are feeling. I can only empathize for you and pray that God will help you to find the strength, courage to go on. You and your family are in my thoughts and prayers, as you morn the loss of your son. I can still remember driving my Mom and Aunt Rosie to see Anthony at the hospital. Denise looked beautiful holding her baby. This is such a tragedy, I cry every time I pray for her and her family. Love Always, your cousin Debi Riedel-Ferreira

“ *The Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures; He leadeth me beside the still waters. He restoreth my soul; He leadeth me in the paths of righteousness for His name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for Thou art with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies: Thou anointest my head with oil, my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I shall dwell in the house of the Lord forever. May your sweet soul rest in heaven Anthony. Keeping the family in our prayers.
