“ *I will surely miss one of my favorite uncle's. He always had a smile on his face and lots of love in his heart. He brought the meaning of family close to home-the old fashioned way. Like we all knew while growing up-always taking an interest in all of us. Many hugs and prayers to you all.*

“ Both Mom and I feel gifted to have known and share so many wonderful times with Uncle Tony. He set the perfect example of a gentleman who loved his family and thought us guys to always respect and honor the women in our lives. His handwriting was an art as was his creative drawings and entertaining ears. He was a special brother to his sister Lee and was always appreciative and proud of Chuck's accordion playing. I will truly miss one of my number one music fans and how much he enjoyed visiting me in California too. Thank you, Uncle.. for a long life of so many family times. It has to be comforting to know you are among so many people we loved to be with now.. God is with you and we shall meet again someday... Love, Your sister Lee and nephew Chuck

“ My deepest condolences to all you at this difficult time. I love remembering his silly laugh and twitching ears. Uncle Tony was just a big loving teddy bear and his huge loving family is a testament to that. Jesus and his siblings have welcomed him with open arms and he will be in peace ever more.

“ Dear Uncle Tony,  
I'm so glad my Daddy and I were able to visit you, Auntie Ann, Cousin Sharon, Cousin Susan and family for Easter this year!  
Thanks for wiggling your ears, smiling so much, and making us all laugh!  
It's funny how we share a family trait as I can wiggle my ears too!  
I already miss you!  
I'm going to remember you forever!  
Love, Thomas
