“ *Mrs. Rudniski, I used to visit your home with your son Igor you couldn't stand our non-sense and used to get angry at both of us for smoking. You and your husband (Walter) were some of the best people I've ever met. I hope you are resting easy in God's arms in paradise. PS I quit smoking over 10 years ago by God's grace and many people that were willing to be used by Him!*

With much Love, Mark Cline & Family
