“ LOVELY MEMORIES WITH ARISTO F. VAZ •••

 God gifted our family a dear and faithful friend Aristo of 40 years! He and his lovely family created memories, for us sharing their Thanksgiving Holidays and their son's Birthday celebrations. His family's love extended not only to his family here in Michigan, but with his family in Goa India, and also his sister and family in Texas.

We laughed together, learned a new dance or learned a skit or presentation for the India Catholic Association or a friend's surprise party. He was the first one to volunteer his help in any way needed for the Celebration of Our Holy Eucharist. We especially prayed for Aristo's soul invoking Our Sacred Heart of Jesus on First Friday and to the Immaculate Heart of Mary on First Saturday.

Aristo always placed God first, and shared his intentions to become a priest before Mina pulled on his heart strings. He always remained faithful to God, his family & his friends.

We experienced Aristo's genuine love. He was always happy to extend his helping hands to us, share fishing stories, and always ready to go fishing together. Aristo always caught the most & biggest fish, was the most patient and persistent fisherman who waited eagerly for our lake to thaw. "Aristo, you must be enjoying a Heavenly fishing experience with St. Peter and other Apostles!"

Our funniest and most unforgettable memory was when Aristo dressed up with Stan and several other male friends for a surprise birthday party and all had to go out the back door to enter the front door in their best women's dance attire!

"Aristo, you left our hearts aching and a void difficult to fill. We'll miss your humbleness, loving caring, faithfulness, helpful nature, and always inquiring about each member of our family." We're left with much sadness in our hearts.

Dearest Mina and Kevin, we know we can't make your pain go away, but we want you to know we're here for you, with an ear to listen, or anything else you may need, please reach out to us anytime you need someone to console you.

We keep all of Aristo's family in our prayers; families here in MI, Texas, Canada, England, and Goa India, for your strength.

"We have started our nine-day Novena, Rest in Peace Aristo, Good Faithful Friend, and servant of God. 💙 ~The Nunes': Stan, Bia, Daniel (Ana) & Martin (Holly) 🙏🙏🙏"

“ Dear Mina and Kevin,
It was with great disbelief that we heard about Aristo's passing away. Our heartfelt condolences to you. Though 20yrs. have gone by since we visited Rajiv, I clearly remember seeing Aristo for the first time (at your home) and my wondering who this young person was. His voice was so vibrant and full of life.
Rajiv has always spoken to us about Aristo and you and memories have been kept alive. May God in His goodness give you the courage and strength to bear his loss. We will keep you in our prayers. May God be with you and Kevin always.

“ Dear Mina and Kevin,
Our heartfelt condolences to you. May God give you the strength to get through this great loss and His peace and consolation. I have never met Aristo but heard so much about him from Rajiv and Fina. Aristo and Mina always called us in India, every Christmas to wish my Dad and all of us. He took care to speak with me and I felt I knew him a long time. He was so caring and affectionate. May God grant rest to his dear soul.

“Aristo was a caring and humble person who worked extremely hard at his profession. He was well liked by all for his sense of humor, his willingness to tackle anything that would give him a sense of achievement whether he succeeded at the task at hand, whether it be sports, acting, performing magic or other activities. He was a great cook and took pride in entertaining and welcoming anyone to his home.

God was a big part of his life and he always prayed several times during the day to give him the courage, strength and determination to handle the challenges of the day. He was always curious to learn new things, dive into topics that were a mystery for him. He was always there to help anyone in need no matter the struggles with his personal health.

Aristo was truly an entertainer. He loved Goan comedy shows and always talked about directing and acting in a show of his own making. No matter what his health situation was he would always go the extra mile to ensure he put on a great show for parties at his house together with Mina and Kevin. A party or gathering was never the same if Aristo was not present.

We will truly miss Aristo and always remember him for the fun loving person he was. May God give Mina and Kevin the strength to go through this challenging time for the immense loss.
