“ *Dear Bongiorno Family,*

*I am deeply sorry to hear of your loss. I am a Christian volunteer that tries to encourage those who have lost loved ones through the pages of the bible. Sine 1 Corinthians 15:18-20 tells us resurrection is possible via Jesus. This brings the hope found in John 5:28, 29, and Revelation 21:3, 4. Please take the time to review these scriptures as they give real encouragement from god.*

*Again I would like to express my deepest condolences.*

“ Farewell to our dear Aunt. We are left with such fond memories of Bongiorno Christmas parties... the food, the noise, the smoke... and Aunt Arlene in the thick of every conversation. I remember watching TV at her house one Christmas Eve when the U.S. first sent men to orbit the moon. She had a special relationship with my parents, and even nursed my mother for a couple of weeks when she was injured while visiting her and Uncle Ben in Florida. She showed us all how to complain less and love life more. She is already missed.

“ Uncle Bennie, Marie and Vince, We are so sorry to hear about your loss, I just found out tonight (Sunday). What a wonderfully full and glorious life Aunt Arlene had. I will always remember her last television appearance and will be able to think fondly of her dancing and living large. We are there in spirit since we can't be there in body. Love to you all...Roni, Kirk and Nick Kadish  
We will be sending a donation per your request in Aunt Arlene's name
