“ Mary and I lived next door to Arnold and Shirley in Sterling Heights for approx 20 years.
During that time we got to know this very special person.
A quite man who always had a big smile and a kind word.
We liked him as a neighbour and a friend.
We will miss him very much.
Our condolences go out to his daughters and the family.
Rest in peace dear friend.

“ My dad’s resting place is right near Shirley’s and I would see Arnold there often. He was a pleasure to talk to! Always smiling and such a caring person. I will continue to say hello during my visits. Great man! God bless him and may he Rest In Peace.

“ I was deeply saddened when I heard about Arnold. I know him from St Jane Frances DeChantel. I will always remember his warm smile. I always appreciated his kind words of encouragement to my son who is in the Navy.

“ Susan...I met your dad in 1968 at Detroit Edison. It was my first job out of high school. He was in the Inspection Division in the Electrical System....220 SB. I haven't thought about that for a very long time. Mr. Putrycus was a gentleman. He'd be in the office for an hour or two every morning and then out in the field. From the photos you shared, it looks like he and you mom had quite a full life. How wonderful for you to have those memories.

I met Arnold in 1977 at the beginning of my 40 year employment at Detroit Edison and followed in his path my entire career. He did a terrific job in fostering my development as a Transformer Field Technician. His knowledge and easygoing temperament made him a "go-to" guy in my book. After his retirement I asked myself many times "what would Arnold do?" when I was faced with a difficult problem. Following that question always served me well. I am sorry to learn of his passing.

“ Barbara, Diane and Susan, I am sorry for the loss of your dear father. Arnold was a very kind, gentle man. He reminded me very much of his mother, who was one of the dearest women I've ever met. To you and your uncle Robert and Aunt Ann, know that you are in my prayers.
