“ Art was a great teammate and friend with the Cardinals. He was always humble and fun to be around. We had many good times together and enjoyed a special friendship. I knew he was suffering the past few years but was always positive when we talked. To a great friend, Rest in peace.

Your friend in Cincinnati,

Billy Wolff

“ Growing up in Hamtramck in the 50s and 60s was a magical time. Part of that magic was our winning little and pony league teams. Artie was always kind, humble and never forgot you as the years went by. My deepest condolences to his family. Thanks for all the memories, Pinky. I am glad you will be forever immortalized in the history books as well as Hamtramck Park.

“ Artie was a very humble man, cop, and ball player. He was truly a champion for all people. He made Hamtramck proud with his pitching and hitting that led to the 1959 Little League World Series Championship. In 1961 he led the Hamtramck Pony League to the World Series Championship. He went on to play baseball with the St Louis Cardinals joining teammates Stan Musial and Curt Flood. Artie was very proud to be inducted into the National Polish American Sports Hall of Fame.
Now, there will be two things for sure in Heaven. Law and Order and plenty of baseball!
Artie will be missed.
