“ Dear family, I am remorseful about your loss and like to extend my deepest sympathy for your loved one Arthur Bruno Nowak. From personal experience I know that the death of a love one causes many different emotions which are somewhat unpredictable. The Scriptures contain some practical advice. There is a time to weep according to Ecclesiastes 3: 1, 4. So don't hold back the tears. Remember, they are a natural and necessary part of grieving and even God's Son Jesus Christ wept. The Bible gives us the best comfort during times of grief. (Luke 23:43; John 11:11, 43-44). Visit jw.org.

“ I have known Archie since I was six years old, 22 years, as a neighbor. I wish I was able to make his celebration of life today, however I live out of state now. I send my deepest condolences to his family. And please give Fanny a kiss from me, Sara.
