“ *"What the heart has once owned it shall never lose". Uncle Art, as a kid you were always someone I enjoyed seeing at family functions. Your sense of humor and attitude toward all of us kids always drew me to you. You made these gatherings lively and fun. Because you reminded me of Grandpa your presence always made me feel like he was with us too. I know I never told you this but you made me feel comfortable and special. Thank you for being who you were.*

“ *To all the Wiza family,  
We are so sorry for the loss of a wonderful man and gentle soul. Uncle Art always had a beautiful smile and a genuine love for his family. I will miss seeing him and the family picnic won't be the same without him. I enjoyed conversations with him and how he always took the time to say hello and share a story or two. Rest Peacefully, Uncle Art. You will be missed and we will hold your memory close to our hearts.*
