“ We met Harv and Chris in Florida. We have such good memories of the fun times together. Harv and John playing golf and our dinners out. He will truly be missed. He was a great guy with a wonderful sense of humor. Our thoughts and prayers are with Chris and the family during this difficult time.

“ Harv was our 9th grade president at Wilson Jr. High - already showing leadership in a quietly unassuming way. Like Dan, I also went through Wilson & Cass Tech with Harv & benefited from rides to Cass when schedules coincided. I remember a female classmate writing in my yearbook something to the effect of “wow that Harv va-va voom”. It was such a joy to reconnect with him on Facebook after many years passed. My thoughts are with his family as they face this big space his passing has left.

“ Friends since 7th grade. We used to mystify his parents when we would "play" with our baseball trading cards for hours. Both graduated from Cass Tech HS. Harv got a car before any of the neighborhood gang and he used to drive us to school - for gas money of course 😊 Our friendship included our going off to war and sharing the excitement of our first born children and even sharing their FL condo. I am so happy we were friends for all these years. I'll miss him.

Our thoughts and prayers are with all his family and especially Chris.

God's blessings and prayers of comfort to you
