“ Kathy,
Mickey, Nicholas and I want you to know how special you are to us, and how special you were to your mother.
She was so happy to move in with you since Covid. She wanted nothing more to get better and get back to your house. She was done with the hospital and her illness. Her body wasn't able to go on. Thank you for loving and caring for her all those years. What a special relationship you had with your mom. My special memory of your mom is when you took all of us and the kids to see Peter Pan at the Fox Theater. When Peter Pan flew over us on a wire, your mom's face was so cute. Her eye's wide open and the biggest smile on her face, then she started laughing. I was so busy watching her, I missed what my son's face looked like. That was very special and memorable to me. As long as I've known you, I never called her Barbara, she was always mom or grandma. Madison and Reilley had a wonderful grandma. My son always enjoyed Reilleys grandma too.
