“ Dear Cindy,
Ralph and I just heard your phone message and were saddened.
I grew up next door to Barb on Behrendt Street. I was her second cousin.
I remember her wonderful smile and kindness. It always reminded me of her grandmother, Aunty Jabanowski.
Mom and Dad loved her as they loved her sister Patty and of course Aunty Pearl.
As I looked through our family photo album I saw pics of Aunty Pearl, Uncle Willie, and her at the age of about seven. There was seven years difference in our ages so I'm sure that Mom and Dad (Aunty Martha and Uncle Joe) loved having them play in our yard and later attend my birthday parties. Later, I remember us building "tents" in Mom and Dads bedroom with blankets and quilts. So much fun.
Later we worked together at Food Fair and I babysat the children. Never an unkind word to us. Always that smile.
I know that heaven has another angel.

With Love,
Margaret (Napierkoski) Szypulski
and Ralph

“ I will never forget all the fun times we had in the pool!! Aunti Barb always made the best food and bbq! She was always so good to the kids and us. Also she was very helpful with the loss of my mother. She had a great sense about her to take things in a positive way. I visited her in Beaumont a couple weeks ago when she first got sick...Im so glad I did that. I showed her pictures of my kids and grand kids and had a few laughs. During this visit, she did not complain about pain at all, I really think she thought she would beat this! She did not seem scared. We can rest in the thoughts that she has now joined Grandma and Aunti Patti. We have the whole family in our prayers with such a great loss! You will be greatly missed Aunti Barb. We love you! RIP!
Love Kelly, Bob and family!!

Wow.. seeing this saddens me. Good ole barbie.. Im mikes son, Ryan. Barbs grandson. She passed away 2 daya before my birthday, a few hours after I left the hospital. My dad said he thinks she was just waiting for me to say goodbye. And it hurt, I told her that day that shes been a fighter her whole life and that itll never be a goodbye, more like ill see ya later. It was hard, seeing as i lived with her half my life. I still think of you everyday barbie, I'll never forget about you and all the help you've given me throughout my life. I miss you, and I love you more than the clouds love the sky.

I'm just seeing this. I worked with Barb at 8 mile and Dequindre. I loved her so much. She always was the life of a party. She always made me laugh. She was the Head Cashier and I was her assistant. I met my husband at that store and she attended our wedding 33 years ago.
