“ I will miss my cousin, Barbara, lovely in so many ways. I will remember her and Michael attending to the Gaffield cemetery on various Memorial Day reunions, and giving me credit for her late-blooming "green thumb". I know Barbara is happy now, at Home again with her Mom and Dad. Our thoughts and prayers are with her beloved family this day.

“ I loved working with Barb. She always had a positive attitude at work even on the more stressful days. She and her family have been in my prayers during her illness. She’s now an angel and one of the best.

“ Barb was like a modern day Mary Poppins... Always happy and singing and hopeful and loving and it just made ya wanna throw up sometimes lbs. She loved her job, she loved her kids, her momma, her grandbabies and you knew it. I can remember her leaving work on a Friday to make that trip to see her mom. I can remember Michael being in between careers and loving and supporting him thru each and every change. I can remember her excited to take that flight to see her daughter and her grandbabies. I can remember her being the best friend and supervisor any of us could have. I've known Barb since before I had my first child and that child just turned 21! I'll miss you Barbie Doll!!
