“ Gail P.
I attended a meeting with Barb at church. After the meeting there were only 3 or 4 of us left. I fell in the parking lot. Barb rushed to my side and helped me get up and go back to the church. I would never have made it without Barb’s assistance. Her kindness will be missed. My condolences to her family at her loss.

“ “ Aunt Barb” will be missed greatly. She treated me as one of the family and I considered her part of my family since I was a child in the early 1960s. She was the sweetest and kindest person I have ever known. It was always a special time going to visit aunt Barb and uncle Ray at their home and when they stopped by my parents home on holidays and special occasions. She will be greatly missed and heaven has a new angel.
