“ *My Deepest heartfelt sympathy to Jackie Harris, and family, Baby Karon you looked beautiful as you wished you grand dad a final fairwell, No he wasn't your Grand dad by blood, but by Love, and Love is a beautiful thing, He Loved you and your family so much, Bennie J. Loved so many people and had so many friends that loved him, and that speaks for it's self, We will miss something good and wonderful, Bennie was a lot of things to a lot of people, May his Love linger on in the hearts of all of us, as he takes his rest, Until we meet again. God Bless You Jackie, Time and Faith will give you the strength, Your memories will keep him alive in your hearts, Peace be with you now and forever. We love you, and you have our support. Wow, this is a memorial for the life of Bennie. Disrespecting his daughter whom took Care of him day & night the past 2 years is disrespecting him. I would never tell anyone I was a side piece for 20 years cause that means you really was not important. While you all are on here speaking crazy please check your spelling, better yet go back to school & get a education like his daughter. Have a blessed & productive life!

“ I am sorry to read about the passing of Bennie. God (Jehovah) assures us he is near to those that are broken at heart and those who are crushed in spirit he saves. We read about this at Psalm 34:18. Having a close relationship with Jehovah God can help you cope with death of your loved one... www.jw.org.
