“ Ronnie & family

Your father & you will always be a big part of my career-which started at W/Stp on the 2d shift as Safety /Personnel rep; later Labor Supvsr.Benny as UAW Comm man was a tough but fair person. He made decisions which at times upset his own Local but also stood tough against mgmt.when he felt he was right. I also feel honored that you & your family lived down the block from our family at 19392 Hull- your house was the showpiece of the neighborhood, thanks to your Mom & dad
