“ Our lives first connected over 40 years ago when Jerry and my son, Eric, were in Cub Scouts together. Later, Eric and Donny played football together for the Sterling Heights Stallions. A few years later, my daughter, Amy, married Tim and our lives became forever bound together! I have so many memories of Beth over the years. She always made me smile and sometimes laugh out loud! My most favorite memory though is taking our firstborn grandson, Tyler, to the zoo and both of us trying desperately to teach him to say, “grandma!” We laughed so hard!!! Rest In Peace dear Beth!

“ To Beth’s family, I will miss her dearly! She was the best neighbor that I could ever have! I have known her for 46 years! May God help you Richard and your children get through this difficult time. So much of my adult life was shared with her! Our children grew up together. So many memories. Rest In Peace Beth, Sandy

“ Rest in peace Aunt Beth. We will all miss you. I know you are in good hands with my Dad and Uncle Johnny. I told Aaliyah to welcome you too. My favorite memory of Aunt Beth was bringing my sister Cherie and I matching dresses for her wedding, one pink and one blue for the breakfast celebration. She was a beautiful bride. She always looked out for us including giving Jim hair cuts for years and being a good listener for my dad when he was alive. My condolences to Uncle Rich and family. May you find comfort in knowing her pain is ended.
