“ Beverly was a wonderful neighbor of mine for many years. She was a great mother to Cliff, Ricky and Gregg. I am thankful she is no longer suffering. I will be praying much for the family during this difficult time. Linda(lowman) Valuet.

“ Wednesday I lost one of my dearest friends. "Bev" and I have been friends for 65 years. We have lots of memories. Most of them wonderful, and a few not so wonderful. When I moved to California in 1962, the one person I missed most, was Beverly. We talked on the phone but it wasn't the same. I missed her so. We both were raising families and I was not able to get back to Michigan that often, but after our sons were raised, I made several trip. What fun we had catching up in person. When we retired in 1995 we made trips back east and spent a couple of weeks with her and Roy every year. It was wonderful. My only regret is that I was not able to get to Michigan the last few years, due to circumstances that both she and I understood. Good bye my dear friend. I will miss you ALWAYS.  
Love, Joyce

“ My favorite memory of Drew's Grandma (Beverly) was from his college graduation party. It was towards the end and we were saying our goodbyes, and there was Grandma pretty much guarding the door making sure we all had plates and bags of food. "You're not going anywhere without some food" she must have said it to just about everyone there. Such a kind and loving woman, you could tell instantly that she was so very proud of Drew and wanted to care for everyone there to celebrate his special day. She will always live on through the memories of her friends and family. Rest in peace Beverly ❤️
