“ To the Schmitz Family -

Dearest Andy - You have been an example of "True Love". I know how much you will miss your other half. I pray that God surrounds you with his love and comfort. I am so very thankful for all you have done. My mother loved you very much, and I know she is now loving you and watching over you from heaven. God Bless you and Keep you as you find some peace and eventually joy in your future.

To The Schmitz Family -

You have all been so wonderful to my mother.

It is terrible when you live so far away from your family. God has enabled me to help so many people, and take care of other peoples mother's, yet I could not be there to take care of mine, so he blessed her with all of you. She would tell me of all the lovely holidays and visits, you all brought such joy to he life.

THANK YOU SO VERY MUCH, may God bless each and every one of you for being so gracious and kind.

I look forward to a big "family reunion" one day in heaven when we can all meet again.

*Love,
Cheryl*

“ Not A Day Goes By

*Mom, not a day goes by,
that I don't wish you know how much I love you.
Not a day goes by,
that I don't wish the very best for you.
My love is like a river it is like a fountain it is longing and flowing for
you.
No matter what hard times we've been through.
My love has kept on growing for you.
I hope you can now see,
that it is you I need.
I know we are bound for a higher life,
where we won't bare anymore strife.
Yet, as we here continue on
in the precious days of this life;
not a day will go by,
without me waiting to see you,
and I will always be loving you.*

*Your Daughter Forever,
Cheryl*
