“ *I always enjoied talking and laughing with Dan, and there was never a conversation that I had with him that I didn't learn something. A tremendous gift to me to have known him. A tremendous loss to us all.*

“ Dear Adam , Brian & Krista, I have known your Dad for 20+ years. In that time he spoke very fondly of his children. I remember hearing about lunch meat(of all things!) and his daughter moving somewhere out east. Even though I've not meant any of you, I want you to know how many times your dad spoke of the 3 of you. I'm so sorry for your loss.

Margaret. Dan never spoke of you as his step mother. I didn't know he had one. All I heard was my mom. He talked about driving you down to Florida. My sympathies to you.
