“ *We had only recently reconnected on Facebook. I knew the Gardner family growing up in Warren. Her brother, Jimmy and I were friends. So very sad to see this. Prayers n hugs to her family.*

“ *Like so many have said before me; Bonnie was THE best!!! As a Sound Check customer, she had a way of making you feel that you and your problems were top priority. She was funny, warm and genuinely sincere. I am definitely going to miss her voice on the other end of the phone. Hopefully, knowing how much she was loved by so many, will help ease the pain your family is experiencing. You have our deepest sympathy.*

“ Bonnie was one of my favorite business calls to make! I could've emailed, but I would rather have talked to her on the phone any day! All of the testimonials below show the personal touches, positive attitudes, and her warm spirit left on so many businesses and people! I think we could all learn something from her in this fast paced world. After the first phone call with her you felt like you knew her, and couldn't wait until the next time you spoke, what a great thing that was, and what that says about her as a person. My condolences to her family and Soundcheck

“ I am so sorry to hear about Bonnie. I am a client of Sound Check's so only had a telephone connection with her - but it was a very dear relationship to me. I was going through a difficult time several years ago, and Bonnie's sincere kindness and pep talk truly lifted me up and has stayed with me through the years. I am so grateful to her. God comfort you, Wise family. You are blessed to have had a mother (relative) like her.  
Most sincerely, Harriet Lodholz

“ *I only talked to Bonnie three times, we meet over the phone with her setting up a pickup for her company vehicles. We talked twice on Friday and once on Monday and each time we laughed about certain things during our conversation. Even through those brief encounters, I felt like I've known her for some time. My condolence goes out to the family, may God strengthen and comfort you during this time.*

“ Bonnie was a customer on my route for as long as I can remember. She was so proud of her boys and then her grandchildren. Bonnie had a sharp wit and was always ready with a verbal jab or two to get you laughing. The last time we talked was just about a week ago and she expressed concern about my bad mood. As usual she made me laugh and made my day better. I will miss her. Michael Bonkowski.
